**Announcement of Revision of the Outlook for Cash Dividends for the End of FY2015.3**

At its meeting held on February 4, 2015, the Board of Directors of Yamaha Corporation approved the following revision in the outlook for cash dividends per share for FY2015.3.

**1. Reason for Revision of the Outlook for Cash Dividends**

Considering the improvement of consolidated return on equity and taking the medium-term consolidated income level as a base, the Company makes appropriate allocations to retained earnings for the purpose of strengthening its operating base, such as R&D, investing in marketing capabilities, and capital investments, while also adopting a basic policy on returning profits to shareholders based on consolidated performance. Specifically, the Company endeavors to return profits on the basis of continuing and steady cash dividends, with a target consolidated payout ratio of 30% or higher.

In view of the revised outlook for consolidated financial results for the fiscal year ending March 31, 2015, which was released today, the Company has revised the outlook for the dividends for the end of the fiscal year from the previously announced ¥13.5 per share to ¥16.5 per share, and, accordingly, the outlook for the dividend for the full year has also been revised, from the previously announced ¥27 per share to ¥30 per share.
